The Churchill Scholarship for Graduate Study at Churchill College, The University of Cambridge

UCSB Campus Deadline: October 16, 2015

The Churchill Scholarships offers American students, endorsed by their colleges or universities, the opportunity to pursue graduate studies in engineering, mathematics, or science at Churchill College, the University of Cambridge. At UCSB, students are considered for endorsement by the associate deans in the College of Letters and Science. Students should send an email indicating their interest in the Churchill Scholarship to scholarships@ltsc.ucsb.edu, and they will be contacted by Zach Romash, an academic advisor in the College of Letters and Sciences, who coordinates the campus endorsement process for all UCSB undergraduates, regardless of their colleges.

Mr. Romash, works closely with students as they prepare their applications; therefore, students should arrange to consult with the him well in advance of the application deadline. In addition, students should consult with a professor in their areas of interest throughout the application process. For detailed information about the application process and for the application form, go to www.winstonchurchillfoundation.org.

Application Deadline: 4:00 PM, October 16, 2015 (no exceptions)
The applicant must submit the following to 1117 Cheadle Hall by no later than 4:00 PM on October 16, 2015:

- A completed, printed, and signed version of the online application available at the Churchill website (do not “submit” the application at the Churchill website unless you are nominated by UCSB.)
- If relevant and available, a copy of any correspondence from a laboratory director or supervisor at Cambridge.

The following should be sent directly to the address below and must arrive by October 16th:
- Official transcripts from UCSB and any other colleges or universities attended.
