NOTES

- This is a sample program plan. Your program plan will differ depending on previous credit received, your course schedule, and available offerings.
- Students are strongly advised to work with an academic advisor to determine a personal program plan.
- This plan assumes no applicable high school or college credit taken prior to matriculation. Students who receive credit for courses taken prior to matriculation may be able to reduce their courseload or avoid taking summer classes if they have enough elective units to graduate.
- Students are responsible for fulfilling additional degree requirements over the course of their program, such as ensuring at least 60 total upper division units are completed. Consult an academic advisor for details.
