

# Spring 2014 Honors Sections

This is a tentative list. Please confirm with the instructor at the first lecture that there is an honors section offered.

See information about completing the program on our site or come to honors advising walk-in hours (see hours on the Contact page of our site).

- Grading rules:**
1. Unless P/NP is the ONLY grading option set in GOLD by the instructor, you **must** earn a letter grade of B or better in an honors section to earn honors credit.
  2. You **must** earn a B or better in the primary lecture in order to earn honors credit in a linked 1-unit honors section. *Honors sections worth 1 extra unit are linked to lectures in which you must concurrently enroll (these "+1" cases are noted below). Example: 5 total honors units are earned for Earth 3H (1 unit) + Earth 3 (4 units) provided grades are satisfactory, which altogether counts as 1 honors experience earned. Units (for Old Rules) and Experiences (for New Rules) are noted in this list.*
