Please answer the questions below and send this form, along with any additional documentation, as email attachments to: ltsc-reinstate@ucsb.edu.

1. What has caused you academic difficulties? Please comment on how those challenges have affected your most recent quarter as well as your overall academic record. If you have documentation a health care provider, therapist, counselor, etc., that you feel would help us understand how these difficulties have affected you, please submit copies with this assessment.

2. How are you resolving these difficulties? What resources both on campus and off campus are you are using or plan to use as you address your challenges? If you have documentation That you think will help us understand why you are prepared to be successful this term, please include it with this assessment.

3. What major do you plan to pursue? If you are undecided, what majors are you considering? Have you met with the undergraduate advisor in your major department? If you were not able to complete this major what others would you consider?

4. If you have taken courses while you have been away from UCSB or are currently enrolled in courses at another college, please list the courses you are taking or have taken. If you are currently enrolled in Summer Session courses at another UC, please tell us which sessions you are enrolled. If you have access to an unofficial transcript for these courses, please submit it with this assessment.

5. When do you expect to graduate?

QTR_____ Year_____
