

Spring Honors Courses

This is a tentative list. Please confirm with the instructor at the first lecture that there is an honors course offered.

*** Grading rules reminder:** To earn Honors Experiences, students *must* take a course (and its tandem Honors section if it has one) for a letter grade (not Pass/Not Passed) and earn grades of **B** or higher. If Passed/Not Passed is the only option set in the system for a course, then **Pass** will count for Honors Experience credit.
